Counterfeit Components Policy

ASSET InterTech, Inc. has developed and implemented a Counterfeit Components Policy to ensure that any product sold by ASSET InterTech, Inc. complies with the requirements of the AS5553® Rev.B Counterfeit Electrical, Electronic, Electromechanical (EEE) Parts; Avoidance, Detection, Mitigation, and Disposition standard requirements.

ASSET InterTech’s Counterfeit Components policy is to purchase electrical, electronic and electromechanical (EEE) parts only from authorized vendors that have an established policy to purchase EEE parts only from original component manufacturers or from the manufacturer’s authorized dealers.

ASSET complies with ISO 9001:2015 requirement 8.4 Control External Providers to select authorized hardware vendors.
