Government-Industry Data Exchange Program (GIDEP) Policy

GIDEP (Government-Industry Data Exchange Program) is a cooperative activity between government and industry participants seeking to reduce or eliminate expenditures of resources by sharing technical information essential during research, design, development, production and operational phases of the life cycle of systems, facilities and equipment.

ASSET InterTech, Inc is a member of GIDEP, and its policy is to conform to GIDEP guidelines as described by the GIDEP Operations Manual available at:

http://www.gidep.org/about/opmanual/opmanual.htm
